

## THE WALDEN EXPERIENCE

We continue to work hard to preserve the traditions & values that are inherent in the camp experience. Below is a list of camper value statements that define, concisely, how the camper experience should remain:

### CAMP IS:

- ✓ Taking a break from the city
- ✓ Not worrying about how we look
- ✓ Being social and interactive with others
- ✓ Being independent from our families
- ✓ Practicing respect for our surroundings & for each other

### CAMP IS NOT:

- ✗ Putting on make-up
- ✗ Bringing expensive clothing or sunglasses
- ✗ Blow drying our hair
- ✗ Straightening our hair
- ✗ Watching movies or playing video games
- ✗ Refusing to participate in activities
- ✗ Bringing excessive amounts of food

Together we have come a very long way.

We take this opportunity to remind you that we have **ZERO TOLERANCE FOR:**

- ✗ HAIR STRAIGHTENERS
- ✗ HOT POTS OR ANY ELECTRICAL OR COOKING APPLIANCE
- ✗ DVD PLAYERS OR OTHER ELECTRONICS THAT INTERFERE WITH KIDS BEING SOCIAL
- ✗ ALL THE EXTRA UNNECESSARY STUFF THAT NEED NOT BE BROUGHT TO CAMP (See our Do Not Pack List)

All such items will be confiscated and donated to a local charity.

Let's remember what CAMP IS.

Thank You
